

INDEPENDENT LABORATORY TEST

Tumble dryer Capacity 8 kg

Elvita
CTT7800V

Electrolux
EW2H328R2

Cylinda
TVP5582

Recommended retail price (Euro)		599	479	699
PRODUCT FACTS				
Declared capacity	kg	8	8	8
Reversible door		No (Right hung)	Yes	Yes
Anti-crease function		Yes	Yes	Yes
Cold aeration function		Yes	No	Yes
Condensate drainage to mains drainage		Yes	Yes	Yes
Lighting in the drum		Yes	No	Yes
Energy class		A+++	A+	A++
Machine weight	kg	52	48	44
SOME SELECTED MEASUREMENT VALUES FROM THE TEST				
Programme: Cotton cupboard dry (maximum capacity)				
Original moisture content	%	50	50	50
Moisture content after drying (5 drying cycles)	%	0.4 to -0.9	1.4 to 0.4	3.0 to -1.2
Programme time	min.	139	149	168
Energy consumption/kg laundry	kWh	0,170	0,259	0,219
Condensation efficiency	%	90,4	84,5	82,8
Softness/fluffiness (rating 1–10)		7,2	6,0	6,4
Creases after drying (cotton shirts)		Creases	Faint creases	Very creased
Evaluation of user-friendliness (rating 1–10)				
Programme selection		5,4	8,0	6,6
Controls and settings		6,5	8,1	6,3
Emptying and cleaning		7,3	7,9	7,8
Noise level	dB	63,7	67,8	63,8
TEST RESULT RATING 1 TO 10 WHERE 10 IS BEST (WEIGHT OF THE TOTAL RATING WITHIN BRACKETS)				
Drying efficiency	(50%)	8,4	7,5	6,8
Design quality and safety	(20%)	8,0	8,0	8,0
Noise level	(10%)	8,5	6,9	8,5
Energy consumption	(10%)	8,8	5,0	6,7
User-friendliness	(10%)	6,6	8,1	7,0
OVERALL RATING	(100%)	8,2	7,3	7,2
Comment		Excellent drying efficiency and short programme time. Low energy consumption and low leakage of condensation. Somewhat unclear controls and programme selection.	Good drying efficiency and short programme time. Relatively high energy consumption and louder noise level. Clear controls and programme selection.	Worse drying efficiency, long programme time and creases in laundry. Relatively high energy consumption and higher leakage of condensation. Somewhat unclear controls.
